A+ For Multi-Lingual Version of Quizam 3!

Too often, new software with all the bells and whistles promises to revolutionize the delivery of content in education. Instead the software is expensive, takes too much time to learn and distracts the student from learning and remembering key concepts.

Quizam® offers an effective solution that's refreshingly simple and easy-to-use. It's inexpensive - much less than a private tutor and students enjoy using Quizam! Not everyone learns the same way and at the same pace - that's why Quizam offers a flexible and engaging software that helps K-12 students keep up with their studies. Studying and taking exams has never been easier with Quizam!

Over 100+ schools world-wide are currently using Quizam. Teachers and students are providing positive feedback that Quizam is an effective study aid that's fun and easy-to-use.

Special offer! Download the most current version of Quizam 3 for **free!** Visit www.quizam.com and enter the code **Q123** as a 'registered user'. Check out our online Quizam library and download quizzes today!

Schools that would like to pilot Quizam for 6 months free email contact@quizam.com and request an application or call our toll free number **1.800.425.3276** and ask to speak to a Quizam customer care service rep.
